REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The faculty and staff at Starr Elementary are dedicated to helping all students meet and exceed their individual abilities and help them develop to their fullest potential. Starr Elementary served 447 students in kindergarten through fifth grade during the 2013-2014 school year. All grade levels at Starr Elementary hold students accountable for mastering the state standards and striving for excellence as they are emerged with character building traits to help them in all facets of life. Starr Elementary hosted a district Jet Toy competition. The first and second place teams competed in the regional competition hosted in Clemson, S.C. Our group of three fifth graders were runner-ups in the regional competition. They qualified to fly to Detroit, Michigan to compete in the International Competition. Although we did not finish in the top three, we did come home with sportsmanship medals. For the third year in a row, Starr received a Palmetto Silver Incentive Award from the South Carolina Department of Education. The curriculum at Starr is driven by data. Academically, Starr has enriched each classroom with a literacy base environment. Starr continues to use MAP testing to help our staff better identify the strengths and weaknesses of the curriculum and their students. Benchmark assessments are given to find each child’s reading level. The data driven instruction allows teachers to better meet the needs of each individual student. Many improvements have been made at Starr Elementary through the active involvement and teamwork of our faculty and staff, PTO members, parents and community members. Starr is very fortunate to have a very active and supportive PTO that helps foster the relationship between the school, home and community. With the involvement of the PTO, faculty, staff, and community, Starr Elementary hosted a Spring Fling, sponsored school dances, teacher appreciation luncheon, organized 5th grade end of year fun day, Santa’s Workshop, supported our Box Top Drive, had a team participate in the Relay for Life campaign and assisted with Field Days. Many parents have volunteered numerous hours giving of their time, energy, and support to help Starr shine bright in all areas. Throughout the year, Starr conducted several award ceremonies to reward students with good grades, accelerated reader points, and terrific kids. At the end of the year Starr honored our kindergarten and 5th grade students with a graduation ceremony. Students 1st through 5th were honored during an Award’s Ceremony for their achievements throughout the school year. Our first grade teacher, Ashlea Hatcher, was selected by the faculty as our Teacher of the Year. Starr Elementary strives to personally touch the lives of each student. Together with our parents and community, we are dedicated to providing our students with exciting and motivating learning experiences that will make a positive impact on each child preparing them with the necessary skills to compete in the 21st Century.
